ABOUT US

Since 1990, the Cathedral of Our Lady of the Angels, Adopt-A-Family Program has brought the light of Christ and the magic of Christmas to families with children living in some of the poorest parts of our city in downtown Los Angeles. We partner with the Los Angeles Police Department and other social service agencies to support our families.

Residents of these neighborhoods face great challenges on a daily basis, and the current economic climate has heightened the risks and dangers. Life for the children living in these circumstances is even more bleak. These families need our support.

Each year our volunteers meet with families to assess their needs and Christmas desires. Then in December, we gather to fill food boxes, wrap gifts, and create individualized gift packages to give to the families for a magical Christmas. For these families, the anticipation of this Christmas joy is a light of hope during immense hardships. Our commitment to turning our eyes and hearts to families and children in need remains strong.

But... in order to keep the magic going, we need your support! Whether through a donation for gift cards, a financial gift for basic needs, or general monetary support, we hope you will join us in this important Christmas outreach.

DELIVERY DAY is on December 19.
